1

## Make a gift through your DONOR ADVISED FUND

Designate all or a portion of the fund balance to make an immediate impact on the kids and families we serve. You can also consider making Children's Hospital of Pittsburgh Foundation a beneficiary.

2

## Send a donation of APPRECIATED SECURITIES

Donating appreciated stocks, bonds, or mutual fund shares brings hope to kids in need while providing a charitable deduction and tax benefits to you. Please contact us for transfer instructions.

3

## Donate through your IRA with a QUALIFIED CHARITABLE DISTRIBUTION

If you are over age 70 ½, a gift directly from your IRA can make a real difference for the kids and families we serve while satisfying your required minimum distribution.

4

## Leave a legacy with a GIFT IN YOUR WILL

A few words in your will can make all the difference to kids and families who need it most. We can provide you with language that meets your needs and creates the impact you envision.

5

## Name Children's Hospital of Pittsburgh Foundation as a BENEFICIARY

Naming the Foundation as the beneficiary of a retirement account, life insurance policy, or donor advised fund is an easy way to change a child's life. It may also result in tax-savings for your loved ones.
